

TOC Practitioners Alliance—TOCPA

SHARING EXPERIENCE

16th International TOCPA Conference

23 April, 2015, Johannesburg, South Africa & Pre-conference

TOCPA Master Classes, 21-22 April, 2015

Venue: Glenburn Lodge, The Cradle of Humankind

Program of the 16th International TOCPA Conference (R2000.00 excl Vat per Delegate)

We are thrilled to announce a full day of TOC presentations by established TOC Experts and Practitioners from South Africa, Israel and Estonia. The Conference will be a fascinating event discussing recent developments and specific issues in TOC implementations.

Some of the companies presenting include: Babcock, Centurion Systems, South African Bank Note Company, Aerosud, Watson Shoes and Lonmin

The 1 day program will cover the following subjects:

- Experience of implementing TOC in companies
- TOC for Supply Chain Management
- TOC in the Mining Industry
- Critical Chain Project Management
- TOC for changing management culture
- Logical Tools, Throughput Thinking and Performance Management
- Selling TOC

Before the conference, on 21 and 22 April 2015, there will be two days of **TOC Master Classes** conducted by TOC Experts (seats are limited)

Master Classes - 21 April 2015 (each Master Class will be a full day) R2000.00 excl Vat per Delegate
